JAY WARNER ANNOUNCES FOR SHERIFF AND TAX COLLECTOR

To the People of Hancock County:

At this time I want to use the medium of this newspaper to make my official entrance in the race for Sheriff and Tax Collector of Hancock County.

I am not a newcomer to either Hancock County or to the profession of politics. I feel that I qualify as a capable student of both, the problems of our home county and the method in which they can be remedied.

I have resided in Hancock County since 1936, when I moved here to do construction work on Our Lady of the Gulf Church. Prior to this I had worked all over the United States on almost every field of endeavor a man can undertake, from show business to the grocery business.

I have always worked with the public and thoroughly understand the needs of all social classes.

In 1928 I helped in the commencement of the great political career of the outstanding statesman of our sister state, Louisiana, the late Huey P. Long. And I believe in the policy that he preached of sharing the wealth. That is what I intend to do.

If elected to serve you in this office, which entails the

vidual or interested group to induce industry to come and locate in Hancock County, thereby increasing employment and having larger payrolls.

My Friends, I am well aware of the many duties and responsibilities that go with the Office of Clerk of Courts of Hancock County, and if elected, I will be able to give to the people a fair and impartial Administration during my tenure of office.

I am asking each and every Citizen to give me the utmost consideration in my Candidacy for the Office of Clerk of Courts, and your support and influence will be greatly appreciated.

Respectfully,
OREN L. SEAL.

highest responsibilities, I will share my salary with the poor people of Hancock County. I will make it a practice to donate one half of my salary to these people. It will be divided among them according to their financial needs.

Also I promise, if elected, there will be no speed laws enforced by County police officers. That point of law and order will be left entirely to the State Highway Patrol.

I will never arrest a person on a drunken charge. That type of situation will be left to the business owners.

Also, if you elect me as the man to fill the office of Sheriff, I will make it my duty to see that the county is patrolled from one end to the other at all times during the day. I feel that this is one way to eliminate these petty crimes which have occurred so readily in the past, and also to prevent anyone from thinking Hancock County is an easy mark as far as law enforcement is concerned.
